Jess,

Please see the below message from my Mayor. Would you happen to know the timing of the traffic breaks?

Thanks,

Kevin

Kevin, a number of years ago, the Sheriff deputies assigned to the Mount Olive Drive crossing took a very heavy approach to stopping traffic -- telling motorists they would have to wait 20 minutes to cross, so that this private-sector fundraising event could operate. It should be at most a 2-3 minute delay for motorists. Subsequent years have been better, but it probably is a good idea to remind the Sheriff's Department that our resident's needs to get to and from their homes is at least as important as this fundraiser.

Best Regards,

Bruce
